Celebrate Responsibly!

When family gets together, we know it's easy to have one too many drinks. Responsible drinking is essential for your well-being and the safety of others. Know your limits, pace yourself, and never drink and drive. It ensures a fun and memorable experience while avoiding harm and negative consequences. Make responsible choices when consuming alcohol.

If you drove to an event, please make sure you are well enough to drive back to your place!

We are requesting our family to please watch out for each other. If you notice a family member who is under the influence and attempting to drive, please STOP THEM! Reach out to another family member for help or ask one of the planning committee members and we can help arrange for alternate transportation.
